

Casey Davis

Software Engineer | Las Vegas, NV | 702-755-6424 | contact@caseyrdavis.com

PROFILE

Innovative and driven software engineer with experience in training, sales, and entrepreneurship. Skilled in full-stack web development using React, Node.js, and Express.js, as well as HTML5, CSS, JavaScript, and MySQL. Strong ability to liaise between clients and teams, build relationships, and collaborate with colleagues. I am seeking a challenging role that utilizes my diverse skill set to become a leader in the software engineering industry.

SKILLS

HTML5 | CSS | JavaScript | Python | React.js | Document Object Model (DOM) APIs | Node.js | Express.js | Web APIs | User Authentication | OAuth | MySQL | Heroku | GitHub | Bootstrap | Emailjs

Experience

Jan 2023 – Current

Software Engineer | Freelance | Las Vegas, NV

Worked on various projects as a software engineer, including developing a full-stack web application using React, Node.js and Express.js

Collaborated with clients to understand project requirements, develop solutions, and deliver high-quality websites.

Utilized GitHub for version control and Heroku for hosting.

Nov 2021 – Aug 2022

Leadership Training Advisor | Rapport Leadership International | Las Vegas, NV

Streamlined and curated individualized training experiences for 100+ high-value clients by liaising between clients and trainers.

Collected, analyzed, and distributed data for classroom reports.

Created and maintained client relationships through email marketing and monthly follow-ups

Nov 2020 – Nov 2021

Realtor | Sotheby's and eXp Realty | Boise, ID and Las Vegas, NV

Provided direct client support and conducted residential research, building sustainable relationships with clients.

Designed and executed local marketing outreach to drive business growth.

Negotiated contracts and offers with buyer and seller agents.

Dec 2013 – Nov 2020

Trainer | Idaho Central Credit Union | Boise, ID

Created, updated, and implemented training content and materials.

Partnered with executives to facilitate and complete projects within agreed guidelines.

Developed two VR courses for future implementation to increase engagement with team-member training.
